

**Delivering Nature's
Finest Fresh Fruits
Globally**

**GLOBAL
PAYONEER**

Who We Are

Global Payoneer is a premier exporter of high-quality fresh fruits, committed to serving international markets with excellence. By maintaining strict quality control from harvest to shipping, we ensure our global clientele receives nothing less than premium, nutritious, and perfectly packed fresh produce every time.

Business Overview:

- Top-tier farm sourcing
- Global market distribution
- Freshness & quality guaranteed
- Reliable year-round supply

Why Choose Us?

24/7 Reliable Supply Chain

Advanced cold chain logistics and packaging solutions that guarantee fresh, on-time delivery across the globe.

100% Global Quality Standards

Every batch undergoes rigorous quality control to meet strict European and international food safety regulations.

At Global Payoneer, we combine decades of agricultural expertise with modern export standards to deliver premium, hand-picked fresh fruits that elevate your market presence.

Our Vision & Mission

Growing Global Partnerships

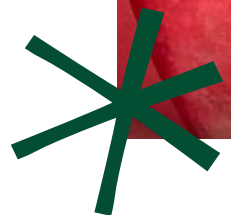

Our Vision

To be a leading and trusted global benchmark in the agricultural export industry, recognized for delivering the finest fresh fruits while fostering sustainable global trade.

Our Mission

To consistently supply international markets with premium-quality fresh fruits by maintaining strict global food safety standards and ensuring flawless, reliable cold chain logistics.

Product Categories

Popular

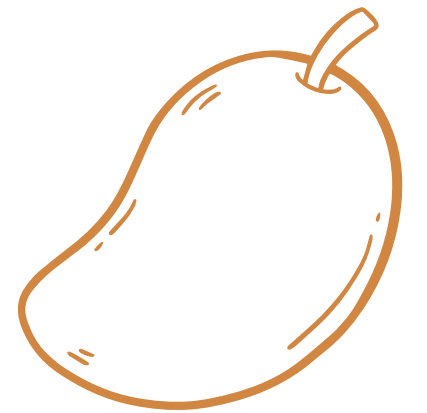

01 Premium Citrus

Featuring world-class Egyptian Valencia and Navel oranges, alongside fresh lemons, known for high juice content and perfect skin quality.

02 Exotic Mangoes

Carefully selected premium mango varieties, harvested at peak maturity and packed expertly to endure international shipping.

03 Fresh Pomegranates

Offering top-tier varieties like Wonderful pomegranates, highly requested globally for their deep red arils and rich flavor.

04 Custom Packaging

Tailored packing and sorting solutions customized exactly to your market preferences and standard international box weights.

Export Process

We follow a meticulous, step-by-step operational process to ensure that our premium fresh fruits travel smoothly from Egyptian fields to international ports without compromising quality.

- ✓ Careful harvesting & sorting
- ✓ Thorough washing & treatment
- ✓ Premium customized packing
- ✓ Strict cold storage cooling
- ✓ On-time reefer shipping
